NOTE TO ALL MEMBERS: The club will send out notices to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club.

PRESIDENT'S MESSAGE

With only three months until the National in Colorado, you need to be making your plans now. Take two or three weeks and make the National Meet part of your vacation. Be sure to send in your registration to the hosting chapter, The Mile-Hi Chapter. They need this information as soon as possible so they can make the best plans possible for your stay in Colorado.

I think we need to start considering a membership drive. The more members we have in the FCA, the better club we can have. If each one of us could get one new member and encourage them to come to the National we could have twice as many cars there, and you know how much we all enjoy admiring each other's cars. So go out there and get a new member.

This is the month all the meets start so plan now for them. If there is one in your area, attend it and support the chapters. There is a new chapter being formed in Eastern Virginia. Contact Ron Wilson if you are interested.

*See you around,
Roy E. Sword, Pres., FCA*

EDITOR'S MESSAGE

Hope you enjoy this May issue. Please note that the deadline for the special price and block of rooms at the Clarion Hotel in Colorado is June 15, 1987. Use the registration form in this issue as some previous issues did not include information about your arrival and departure times. Mail the hotel registration direct to the Clarion. The deadline for the car registration is June 30 and should be mailed to The Mile-Hi Chapter.

Many of you write asking for back issues of the FCA newsletter. The club does not have back issues available. You might want to place an ad in the classified and purchase some back issues from some members or borrow some and copy them. Maybe you know someone who is no longer a member and he could consider selling his collection. We are sorry this is a problem to many of you newer members.

Hoping to see a lot of Falcon lovers in beautiful Colorado.

Bill and Kathy Woodell, Editors

MEET REPORTS

The Founder's Chapter

The Founder's Chapter met Saturday, April 4, at Mr. K's Restaurant in Benton for dinner, fellowship and business meeting. Twenty-three were present. Ezra was pleased to report that Roy placed 1st and James Beckwith placed 3rd in their class at the recent Pulaski County Car Show. WW Ford in Searcy has cancelled their show on May 2 due to wind damage and it will not be held this year. The club will tour to Paragould May 2 and join the Dixieland Chapter and Hudson-Essex-Terraplane Club in a meet. For more details, see the calendar of events section of this newsletter. The club voted to go to Petit Jean Mountain on June 7 for a Sunday picnic. The chapter voted to again have their regional meet in Hot Springs in October. Other activities are being planned for the summer and will be in a future issue.

The Mason - Dixon Chapter

At the time of this writing, our chapter is waiting for April 25th and our first meet of the year with our Falcons at Smith Ford in Denton, Maryland. I have heard from a few Falcon owners about the Falcon Furniture Store meet in Dover, Delaware on June 14th. How about all those good looking Falcons we had in Cherry Hill, NJ in September. They sure would look alot better parked in front of the store in Dover on Rt. 13, and pick up a nice gift for your Falcon, too. I need to know your engine, V-8 or 6 cyl. We had 21 come last year. I know we should be able to beat that.

The Southeast Chapter

On Sunday, March 22, we had our monthly meeting at Arrington - Blount Ford in Lawrenceville, GA. We invited Ford and Mercury owners to attend. We had 55 cars registered which included 3-48 Mercurys, 56 T-Bird, 56 Crown Victoria, 2 63½ Fastback Galaxies, 65 Comet Cyclone, 57 Mercury, 50 Ford, several Ford trucks, 8 Mustangs, and around 30 Falcons. We had 12 Falcons on the showroom floor. We presented a people's choice plaque with a tie between a 56 T-Bird and 66 Mustang Convertible. The ladies sold hot dogs, cokes, and potato chips and raised \$235 for our treasury. Look for pictures in a future issue of The Falcon News. Remember, you still have time to make plans to attend our regional meet.

The Lone Star Chapter

The Lone Star Chapter recently held a chapter meeting and the following officers were elected for 1987. Marty Martin, President; Dwayne Barber, Vice President; and Kay Barber, Secretary/Treasurer.

Greetings! I have recently celebrated my 100th birthday. I passed my driver's license test four days before my birthday on Kansas Day, January 29. I am quite proud of the fact that I am still able to drive my 98 Olds and 1964 Falcon. I eagerly read the magazine when it arrives each month.

Editor's Note: Mr. Fisher, you might well be our oldest FCA club member and we really enjoyed hearing from you. Best wishes and let us hear from you again, maybe even a photo of your '64.

Roger Hollar, Lenoir, NC
